Saint-Aubin, Toulouse

SKILLS

- Proactive
- Patient
- Attentive
- Self-directed
- Highly motivated
- Dedicated

LANGUAGES

- French (Native)
- English (B2-C1)
- Spanish (A2-B1)
- Mandarin (HSK1)

INTERESTS & HOBBIES

- Basketball (12 years at regional level)
- Running
- Skiing
- Travel

PROFILE

Engineering student at Toulouse INP-ENSEEIHT specializing in Electronics, Electrical Energy, and Automation (3EA) following intensive STEM preparatory classes (CPGE). Highly motivated to apply strong analytical rigor, physics background, and programming skills in an internship.

EDUCATION

Toulouse INP-ENSEEIHT | Toulouse, France — 2026 - PRESENT

Master's Degree in Engineering – 3EA Track (Electronics, Electrical Energy & Automation)

Relevant Coursework: Electronics, Microcontrollers, Signal Processing, Embedded Software, Control Systems, Applied Mathematics.

Lycée Faidherbe | Lille, France — 2023 - 2026

Intensive Undergraduate STEM Classes (CPGE – PCSI / PC)*

Multidisciplinary curriculum with advanced coursework in Physics, Chemistry, Mathematics, and Computer Science.

Lycée Sainte Marie | Beaucamps-Ligny, France — 2020 - 2023

French High School Diploma (Baccalauréat) – Highest Honors (Mention Très Bien)

Majors in Mathematics and Physics-Chemistry.

EXPERIENCE

Volunteer Community Manager for an association
Parcours du Cœur de Wattignies
2025-2026

Volunteer Oral Examiner in Physics at Lycée Faidherbe

Prepared physics exercises and conducted oral examinations for first-year students.

2025-2026
